By Appointment.

(FOR ADDRESS ONLY.)

Aysgarth Lower Falls. The river Ure, after pursuing a placid course through the flat meadow land between Askrigg and Aysgarth, forms near the last named village a series of fine cataracts. The water pours over a succession of limestone ledges, the turbulent stream, the rugged broken rocks that fringe the shore, and the luxuriant wealth of trees and shrubs on the banks, forming a romantic combination of beauty seldom surpassed.
